

## DECLARATION OF CONFORMITY NO. 24 a / 2014

**1. Manufacturer / Manufacturing plant of the construction product:**

Przedsiębiorstwo Produkcyjno Handlowe „ADW” Sp. z o.o.  
43-175 Wiry, ul. Zbożowa 2

**2. Name of the construction product:**

**IZOPLAST R-W - asphalt anionic emulsion**  
PKWiU 23.99.13.0

**3. Purpose and scope of applications of the construction product:**

IZOPLAST R-W - asphalt anionic emulsion is intended for cold priming of concrete grounds, cement, cement and plaster and ceramic finishing coats under insulations made of asphalt compounds, e.g. Izoplast B-W or asphalt felt-paper, including thermo-weldable roofing paper, as well as for independent "light" insulation coatings.

**4. Technical specification:**

PN-B-24002:1997 + PN-B-24002:1997/Azl:2001, type A

**5. Declared technical features of this type of construction product:**

Properties	Requirements
External appearance	At the temperature of 23°C, the emulsion is a homogeneous brown liquid. No mechanical impurities and asphalt lumps.
Water solubility of the emulsion, % (v/v), not less than	300
Non-emulsified asphalt content, % (m/m), no more than	1.0
Coating formation time, h, no longer than	6
Water content, % (m/m), no more than	50

**6. Name and number of the certification body or laboratory and certificate number or report number of type testing if such unit was involved in the applied system of assessing the conformity of construction products:**

Test report No. 39/14/70 /E-I

"The tests were performed by the Institute of Mechanised Construction and Rock Mining, Branch Office in Katowice, the Construction Materials Laboratory, accredited in this regard by the Polish Centre of Accreditation No. AB 008"

**I hereby declare with full responsibility that this construction product is compatible with technological specification indicated in point 5.**
